

Genes associated with photosynthesis in binned MAGs: Chlorobi only

MAG name

M_DeepCast_65m_m2_268

K_DeepCast_1200m_m2_283

photosystem P840 reaction center cytochrome c551

photosystem P840 reaction center iron-sulfur protein

photosystem P840 reaction center large subunit

photosystem P840 reaction center protein PscD

Gene

n

1
